## Education

---

**Vellore Institute Of Technology, Bhopal**

*Bachelor of Technology in CSE(CGPA of 7.6)*

**September 2021 - August 2025**

*Sehore, Madhya Pradesh*

## Skills Summary

---

**Languages:** JAVA(core), JavaScript, HTML, CSS

**Databases :** MongoDB, MySQL

**Technologies & frameworks :** React.js, Node.js, Express.js, Mongoose, EJS, Tailwind CSS

**Development tools :** Git, GitHub, Visual Studio Code, IntelliJ IDEA, Postman

**Certifications:** github actions

## Projects

---

**Queuely** | *React, Node.js, Express, MongoDB, Tailwind CSS, JWT, Zod*

**Dec 2024 - Feb 2025**

- Developed an online appointment scheduling platform to streamline the booking process for clinics, reducing the need for in-person scheduling and minimizing patient crowding.
- Used bcrypt to hash and salt passwords, enhancing security against brute force and rainbow table attacks.
- Implemented role-based access control, ensuring patients and clinic staff have appropriate access. .
- Utilized MongoDB for efficient storage and management of user data, including profiles and appointment details.

**GhostNet** | *React, Node.js, Express, MongoDB, Tailwind CSS, JWT*

**Oct 2024 - Dec 2024**

- Built a privacy-focused chat application enabling users to communicate anonymously in a secure, judgment-free environment.
- Integrated JWT authentication to securely manage user sessions and ensure safe, anonymous logins.
- Designed a modern, responsive UI with React and Tailwind CSS for an intuitive experience.
- Leveraged MongoDB for efficient user profile and chat session storage.

**UnityPages** | *javascript ,reactJS, Quill, nodeJS, ExpressJS, socket, mongoDB*

**May 2024 - Jul 2024**

- Created a real-time collaborative document editor, enabling users to create, edit, and share documents across devices.
- Integrated advanced text formatting features using libraries like Quill js, enabling users to customize documents with ease.
- Enabled real-time updates with Sockets, ensuring synchronized document changes.
- Ensured cross-device compatibility, providing seamless functionality.

## Extra-Curriculars AND Achievements

---

- State Level Athlete (Under 19 Category).
- Secured the championship title in an intraschool volleyball competition, showcasing strategic gameplay and physical prowess.
- Served as a volunteer for Advitya'24 at Ignites Club, contributing to successful event execution and team coordination
- GeeksForGeeks: Solved 150+ questions, further honing coding skills and understanding of computer science concepts.

## Additional Information

---

### Hobbies

*Reading books , playing games, and dedicated to personal fitness*

### Languages

*English, Hindi*
